

The Ethos and Values of Moor End Primary School

1. To provide an education which places importance on the development of the whole child, academically, intellectually, physically, emotionally and socially.
2. To provide an environment where each child is encouraged to develop to the full extent of their ability. Where each person is valued and is made aware that they have the potential to make a positive contribution to the school. To help the children build a good self-image.
3. To provide a broad-based, stimulating and connected curriculum, including delivery of the statutory National Curriculum:
 - to develop basic skills of communication, language, literacy and numeracy
 - to develop the ability to observe, question, hypothesise and solve problems
 - to develop skills of oracy, communication and confidence
4. To encourage the partnership between home and school. To encourage parents to take an active part in their child's education.
5. To provide equal opportunities in work and play, and treat all individuals fairly.
6. To value and celebrate the diversity of our society and to promote respect and tolerance
7. To forge learning links with our local community and our link secondary school.
8. To promote and develop aesthetic, cultural and creative understanding,
 - to develop concepts of beauty in the natural and man-made world,
 - to introduce children into the world of artists, writers and musicians,
 - to develop a sense of heritage and appreciation for the locality, community and world
 - to develop a sense of spiritual awareness.
9. To use technology where appropriate to enhance the children's learning
10. To prepare every child for the demands of a rapidly changing world and to make them independent thinkers.

'Working hard and having fun to be the heart and future of our community.'
