

17th January 2020

SPRING TERM

It's been a wet and windy start to 2020 but a relatively quiet one as the children have settled back into their routines.

Please can I take this opportunity to remind you all to make sure that appropriate PE kit is in school for every child as we have had a few of the children still to return theirs after the break.

Also please try and ensure your child has an appropriate coat for outdoor play and that school shoes are being worn—not trainers.

Don't forget the daily red book bags and reading books too so that we can change them when necessary.

As you will have seen our outdoor building is coming along—despite the weather—sorry if the parent shelter has been out of use at the end of the school day as the builders have been in your way!

I have put some dates for your information on this newsletter, it is quite a short term but we have got a visit from a rocket, a disco, and then a trip for the younger children and a poet coming to school as soon as we return after half term.

As ever, any problems don't hesitate to contact either myself or Mr. Sumner and we'll do our best to sort them out.

Mr. A Martin

Dates for this half term

27th February—Whole Class photographs

Any additional details will be sent out nearer to the dates above and they are subject to change.

Phones in school

Some older children bring their mobiles in to school as they walk home on their own. They hand them in during the day. No other children should bring in phones. We have strict guidance and rules regarding all mobile devices in school including for adults who work here. Please make sure your child is not bringing a phone to school unless they have agreed this with Mr. Martin or Mr. Sumner.

Thank you
