

Welcome back after our half term break. It's already been a very busy start with a snowy visit to Skipton Castle and a fantastic visit from the poet Paul Cookson who spent the day making us laugh and fall in love with language and words with his amazing poems and performances. We've also had the photographer in taking whole class and group photos.

Below is some information regarding next week's plans for world book day. We recognised the pressure of asking the children to dress up and instead are trying something different. We are sure the children will love what we have in store and would like to thank our local Spar store who have kindly provided the resources free of charge to ensure there will be no cost to our children.

You will also find some information regarding the Coronavirus. Any issues or problems do not hesitate to contact school at any time.

### Coronavirus update

We are receiving regular updates from both the department of health and the DfE and are following this advice carefully. We are encouraging all the children to regularly wash their hands and we of course provide soap dispensers around school. Please can you refrain from sending your child into school with their own hand sanitisers. We have strict procedures in place regarding chemicals, detergents and cleaning products in school. Every product has its own risk assessment in case of allergic reaction as part of our health and safety measures so it is not possible to accept other products in case they can cause harm to both children and adults. All classes are provided with carefully checked cleaning products for hands etc. so there is no need for any child to provide their own.

If there are any changes in circumstances or advice we will of course act promptly and quickly but at the moment there is no cause for alarm at school.

Thank you.

### NURSERY PLACES AT MOOR END

We have places in our nursery for the summer term and September. If you have a child that turns 3 before the term begins call into the office to guarantee your place!

### WORLD BOOK DAY 2020 - Thursday 5th March

This year we shall be promoting reading and the love of books by making sure every child will have the opportunity to make a character from a well known book using a potato! Here are some examples:

No dressing up, no hassle, just fun and a love of books! And free thanks to Spar
