

Welcome to Reception Class

We will be your teachers in September.

Mrs Holdsworth and Mrs Ainscough.

We thought we would share some of the important places where you will spend your time when you start school.

Foundation Entrance

This is where you will come into school and go home. Your teacher will say good morning at the door and you will come into school on your own where another teacher will be inside to help. At home time the adult who will pick you up will come inside to collect you.

Cloakroom

This is the place you will hang up your coat and pump bag. Remember to practise putting on your own coat and zipping it up. If you are bringing your dinner, we keep your lunch bags here. You will change into your wellies when it is playing out time in the garden. You need to ask your adult for a pair of wellies to keep in school.

These are the places you will learn and play, inside and out.

Bathrooms

These are the places where you will go to the toilet in class or when you wash your hands before dinner. Remember to practise going to the toilet and wiping your own bottom at home.

Hall

This is the hall where you will change for P.E, go to assembly and have your dinner. Remember to practise dressing and undressing yourself ready for when you change into your school P.E kit. You will also eat your dinner with your friends, and the teachers and welfare adults are there to help if you need them.

Library

This is the library where you will read your reading books and choose books to take home every week.

We hope you enjoyed looking at some of the places you will be when you start school in September. We can't wait to have fun. See you soon.
