Moor End Community Primary School

Remote Learning 2020/21 Action Plan.

In September 2020, all our classes returned to full-time education following the Covid 19 closure in March. Although we hope that the majority of our children will now have an uninterrupted experience, there is the possibility that an individual child, a class bubble, or indeed the whole school, will need to self-isolate for a period of time. We have therefore put in place a plan for remote learning so that all children can continue with their education.

This meets the expectations set out in the DfE guidance 'Remote Education Support'

https://www.gov.uk/guidance/remote-education-during-coronavirus-covid-19

The school will use Seesaw to remotely set daily tasks for all our learners. In EYFS we will use Tapestry to communicate daily tasks with our families.

If a child does not have access to a computer/laptop and/or the internet, the school will do all it can to support children and will provide paper packs of learning. Where funding can be accessed, remote devices (eg, laptops) and/or 4G connections will be sought, particularly for disadvantaged children. Parents will be reminded to make the school aware of any barriers to accessing remote learning. We have identified those families who will not have access to remote learning and will seek to provide devices as a temporary measure.

You will find here an overview of lessons to be completed each day. It will provide learning across the curriculum and children will be expected to spend a similar amount of time completing this as they would spend learning in school.

The Overview.

EY's / KS1 & KS2
The daily timetable will include:
- Maths – White Rose Maths   X Tables Rockstars
- Reading – Using the Oak Academy to identify video lessons and tasks
- Writing – Using the Oak Academy to identify video lessons and tasks including both writing and grammar tasks
- Spelling/Phonics – using Oak Academy and the Spelling Shed
- Two foundation subject- learning linked to the year group curriculum – Using the Oak National Academy.

- Science – weekly task as outlined by topic being taught in specific year group from Oak Academy.

SUBJECT	WEB LINK	DETAIL
MATHS	https://whiterosemaths.com/homelearning/ https://ttrockstars.com/	Using White Rose maths, children will be guided to the appropriate year group they are in and to one of the topics available. They then select a lesson to complete; this includes a video and subsequent questions. Children have their own TTRockStars login details to practice and rehearse their times-tables at the appropriate level.
READING	https://home.oxfordowl.co.uk/reading/free-ebooks/ https://www.lbq.org/	Reading is everything. Read as much as you can at home Children are to read from their own reading book or download and read a free e-book from Oxford Owls- parents will be contacted with the correct Oxford Level for their child. Comprehension will be developed using Learning by questions for KS2 Also identified tasks from Oak Academy
WRITING	https://www.thenational.academy/	Identified tasks identified from the Oak Academy will be provided. This includes activities to develop longer writing tasks and grammar activities.
SPELLING	https://www.spellingshed.com/en-gb/	Keep on top of your spellings with the Spelling Shed. Log in and see what your teacher has set for you. Weekly spellings will be published on the Class Page for those children in KS2 using the strategies learnt in class.
PHONICS	https://www.oxfordowl.co.uk/please-log-in	Phonic activities based on the Phase your child is working from.

FOUNDATION SUBJECTS	https://www.bbc.co.uk/bitesize/this-terms-topics OR https://classroom.thenational.academy/	Your teacher will guide you whether to use BBC Bite Size OR the Oak Academy. Feel free to do extra. Children can select their year group and subject (science, history or geography) then complete a relevant learning activity linked to their classroom learning.

The Oak National Academy.

The 'teaching content' will be provided to children through age appropriate video content on the DfE published list of educational resources site; Oak National Academy website. This provides the equivalent of 3 hours of lessons per day for primary school children. In their 'classroom' each lesson is an hour-long. They're delivered by a teacher, with a pre-recorded video as well as quizzes, worksheets and creative activities. It's all easy to use, there's no login or password, and you can access the lessons on any device- pupils only need materials they can find at home.

Providing feedback

Pupils can send any completed work to teachers via seesaw or tapestry app
Alternatively, work that children complete on paper should be kept safe and returned to school when safe to do so.

Contact with pupils/ parents

Parents are able to contact the school via telephone or the school admin email address. Teachers will email back feedback if required, BCC copying the Headteacher into any correspondence. Any response should be made within 48 hours. Where a pupil is self-isolating on medical ground for a significant period of time, contact will be made via telephone on a weekly basis to monitor learning and provide support if needed.

Pupils identified as vulnerable will be contacted by the Learning Mentor Team on a weekly basis and support offered as necessary.

Safeguarding

Please refer to Child Protection and Safeguarding Policy.

Data protection

When accessing personal data, all staff members will: Only use their official school email account and connect to the school network using their school laptop only.

Sharing personal data

Staff members are unlikely to need to collect and/or share personal data. However, if it does become necessary, staff are reminded to collect and/or share as little personal data as possible online. All data collection will be compliant with GDPR guidelines.

Keeping devices secure

All staff will take appropriate steps to ensure their devices remain secure. Computers should be locked if left inactive for a period of time. Operating systems must be up to date – always install the latest updates.

Monitoring arrangements

This policy will be reviewed by the SLT as and when updates to home learning are provided by the government. At present the only 'live lessons' will be used via the Oak Academy.
